

Love is Everything

Lent

With my love, Elizabeth

Lent

**The garden has
been neglected**

Weeds

**grew wild
and filled it**

And
poison
ivy
is everywhere

Lent

If you get rid of
the **dead wood**

And the **weeds**

...**Look again!**

A photograph of yellow daffodils growing through a thicket of dry, tangled branches near a body of water. The daffodils are in the foreground, with their bright yellow centers and white petals. The background is a dense, chaotic pile of dry, light-brown branches and twigs. A dark, calm body of water is visible in the upper right corner.

Renew

**We can become a
new creation, too!**
